

## Ryan Feely

March 1, 1975 - April 10, 2026

Ryan Woodward Feely, 51, of Centerton; passed away Friday, April 10, 2026, at Washington Regional Medical Center, in Fayetteville. He was born Saturday, March 1, 1975, at Portland, Oregon; to Roy John Feely and Vicki Lee Berger.

Ryan will be remembered for his strong spirit, wide circle of friends, and the many lives he touched. A Life Scout, he carried with him a deep appreciation for learning, service, and helping others. He had a gift for bringing people together and was known as someone who could connect with anyone, no matter their background. Ryan was proud of his identity as a Viking and his association with the Three Percenters, holding close the values of independence and resilience. He was highly skilled with his hands, an excellent mechanic who could fix just about anything; and he continually expanded his knowledge by learning HVAC. He found joy in simple pleasures, like building LEGO Speed Champions cars and hiking, and he had a deep love for dogs. More than anything, he will be remembered as a mentor and a steady, positive influence, especially to the kids who looked up to him.

Ryan was preceded in death by an aunt, Carol Berger and an uncle, Bruce Berger. He is survived by his father, John Feely; his mother, Vicki Berger; and a sister, Amanda Feely. Services are entrusted to Brashears Funeral Home and Crematory of Huntsville.

“ I met my cousin, Ryan Woodward Feely in the early 2000s when he, Amanda and baby Christina were traveling through Albuquerque, NM. We have kept in touch over the years and see eye to eye on most things. Ryan's Great Grandfather and my Grandfather were brothers and owned a Hardware Store together. I can't convey the loss I feel since you went to be with Jesus, Ryan, your memory and the times we talked will always e close to my heart! I love you, cousin! May God bless you in Heaven! Amen!
