I just loved Scarlett, I never heard her say anything bad about anyone. I'm really going to miss her. She was proud of her children, and loved them very much, and her mom also. “*Scarlet was such a wonderful person and her family were loved deeply by her because it showed in her smile every time you saw her with them. I was lucky to be blessed with her friendship and will miss her dearly. Scarlet always had a positive attitude and made the best out of any situation, she was never one to complain. I know I'm blessed to have known her and will continue to keep her family members in my prayers. It's not my place to question Only God knows why "I'm just jealous of the angels Around the throne tonight, In a world where heroes come and go. Well God just took the only one I know So I'll hold you as close as I can. Longing for the day, when I see your face again“.*
