“ *My thoughts and prayers are with the family. Even in the worst of times Shannon still had her beautiful smile. Hold on to the thought that a life lived with so much love will never end, but will live on in the hearts of those who remember. She is now in the arms of God, take comfort in that promise. Kay*

“ Shannon was a beautiful gift given to us for such a short period of time. In her 39 years, she made a difference in the lives of many others. As a nurse, I watched her strength, bravery, and true desire to live overcome any cancer, especially in the last year. My heart aches for all the friends and family that she leaves behind but rejoices in the fact that Shannon is in a better place.
