

Sheila Anderson

October 8, 1954 - September 22, 2020

Sheila F. Anderson, 65, of Rogers, passed away unexpectedly at home on September 22, 2020. Sheila was born in Midland, Texas, to the late James and Bernice Beers on October 8th, 1954. After graduating high school and marrying her husband of 44 years, Willard Anderson (surviving), she went on to earn multiple certifications and work in many areas of the medical field. She truly loved caring for people and taking care of families in their times of need. She also enjoyed thrift shopping, taking care of her grandchildren and spending time with her surviving sister, Carolyn Moorman Larey of Hawkins, Texas.

Sheila's true love was her family. She has two surviving daughters, Jessica Stinnett (Anderson) of Springdale, and Jennifer Hottinger (Anderson) of Fayetteville, and three granddaughters, Sophena Anderson (10), Finley Hottinger (6) and Livia Hottinger (2). Not a day would go by that Sheila did not see, text or speak with one of "her girls." We are all heartbroken that she is gone so soon.

Family and friends are welcome at a graveside service that will be held at Burkshed Cemetery, 23085 Fate Anderson Road in Hindsville, on Saturday, September 26th, at 11:00 am. The family requests that friends share written remembrances, special memories, and anecdotes of Sheila's life to Jessica Stinnett, 790 Clinton Circle, Springdale, AR 72762. Services are entrusted to Brashears Funeral Home in Huntsville, and flowers/plants/condolences can be sent there.

“ I got to know Sheila while working with her daughter Jessica. She honestly became my Mom too. She never showed up at our office without getting and giving hugs. One of the kindest heart's I'd ever met and will be forever thankful to her for the friend I have in Jessica. My thoughts and prayers for Willard and the girls. <3

“ Sheila's humor and her passion of life, her love of her mom and family will be remembered by all who knew her. I got to work with Sheila for several years. Amazed at her winnings. Proud to say, I've got one of her minnie's from her doxens. I will miss her and her funny posts.

“ In a world filled with problems (daily in the medical field) Sheila was that smiling light, that glimmer of encouragement, that shining example of caring that touched the lives of so many and was much appreciated by all. She will long be remembered, not only by family, friends, and more but also by God who remembers the kindness one extends to another. John 5:28,29; Psalm 37:11, 29 So sorry for your loss.

“*Sheila was such a positive presence in my life when I was trying to figure out who I was in college. She would stay up late at night telling hilarious stories of that happened in the ER. Then, she would wake up early and cook the most amazing country breakfast-wow-who knew gravy didn't come from a package. And, thanks for all those mashed potatoes and steak fingers and biscuits and cobbler. Sheila could cook some of the best food I've ever had...*

She had dachshunds that seemed to have a vendetta against me, and she would go out every day and hand-feed some giant bovine, not sure if it was a longhorn or a buffalo or both. It was much more friendly than those little yappers that chased me around the house.

I'll never forget the distinct laugh that Sheila had, and I know that Jess has a bit of that laugh too.

But, most of all, what I remember about Sheila and Willard was the amazing example of love that they had for each other. As a young man, they made me realize how simple it was to have a loving home. I am so happy that I stopped by and saw them about a year ago. Thank you Sheila for all the great memories, and for helping me become the man that I am today.
