“ *I loved my Uncle Sid, he was so caring, loving, soft spoken, hard worker and had a huge heart. Some memories I have of him: We would go to visit when he visited G'ma & G'pa Burnett and I remember in the morning the adults would be saying "well Sid must have left in the night" because he could not stand to say goodbye to his mother and father. After I was grown and had a family, I had been working in my spare time painting my house and Uncle Sid was visiting and when I come home from work the painting was all done.*

*I so wish we would have lived closer, so I could have known him better. He was very special and very kind hearted.*

*RIP Uncle see you in the sweet by & by!!*
