“ *Uncle Stacy will always be remembered. He was the coolest, toughest man that I knew!!!! am proud to have had him as my uncle. When we were little he would always come and pick us up and take us to grandma Coon's. I remember grandma, uncle Stacy uncle Manuel & aunt Jan and all of us always sitting around the table just eating and laughing. Grandma would talk in creek language and uncle Stacy and them knew what she would be saying but we didn't and they would just laugh at us. We had good times with our family!!! The last time I saw uncle Stacy was at my brother Darryl's funeral. He hadn't changed a bit..he looked like the big, tough indian that he always was!!! I am so very saddened to hear that he had passed. But I know his spirit will live on forever in our hearts. May God Bless you and give you the peace that passes understanding. Love Katy*
