“ Our prayers go out to you all for the loss of Stan.

Please know that we are thinking of you all in this time of grief.

Just getting over the loss of your Mother was bad enough and now to go through it again.

We are so grateful for how you have taken our brother in as part of your family for the last 10 yrs. and pray he can be helpful in whatever is needed of him. I know he is also grieving and wish there was something we could do to help the pain.

Let us know if there is anything we can do.

Our Love and Prayers will continue as you go through this process.
