“ Loss is so very difficult. The comfort is that you know exactly where this wonderful man is. To be loved by SO many people from children to adults, shows the amazing example of how we should all live our lives. God first in everything is how he lived & how he is rejoicing now. We were so blessed to have moved here & gotten to know you & your family. We love you with all our hearts & will be praying for all of you. The Tolberts

“ I knew Stanley all my life, his brother Gene was married to my sister Joetta and Gene was always considered our brother, we would have family gatherings and Stanley would always be there, he was such a cut up, always laughing and trying to make you laugh, which always came easy for him, he had the most beautiful voice, he sang at our Dad's funeral and as always did a wonderful job, i can tell u of all the times i heard him sing, i could always feel the presence of God there, he has gained his heavenly wings and is certainly singing as Gene plays the guitar. So sad to hear of his passing but so happy to know that his heavenly life has just begun. Prayers of comfort for this family. We will miss you Stanley but what a reunion some sweet day we will all have.
