“ Dennis family, I'm saddened to hear of the passing of Sue, who impacted so many in the community. I recall her being my home economics teacher in high school and think fondly of her sincere attempts to make me a homemaker; unfortunately, I remain a poor cook in spite of how hard she tried. She lived a wonderful, long life and will be missed by many. Sending prayers and sympathy.

“ I did my student teaching under Mrs. Dennis in 1974, and learned so much from her. I have fond memories of planning a Strawberry Tea, a jelly lab, and chaperoning the prom, and going to Little Rock for an FHA meeting.

“ Mrs. Dennis left a legacy to her students who learned under her. My daughter Jana referred of her often and had high regard for her. I would start to teach Jana something and she would say Mom, Mrs. Dennis already taught me that. She would not wear a dark top with a lighter pair of pants or skirt because Mrs. Dennis said that is just not done. I appreciated her kindness and interest to all who all approached her. She was a very special lady who I know will be missed but not forgotten by those whose life she touched. Susan Bates
