“ The first time I met Whodee I remember thinking what a beautiful smile she had. It didn't take long to see that beautiful smile was also on the inside! My daughter, Sherrill Lynn, loved her very deeply. Whodee made her feel welcomed the first time she visited the Moffett farm- Sherrill Lynn knew she WAS family! Eric has shared so many wonderful Whodee stories and recipes! She will be missed but not forgotten- her kindness and all the "Whoodee" stories will shared for many years to come.

I will have Eric in my prayers as he delivers a heartfelt tribute to his beloved grandmother, Sherrill Lynn as she celebrates Whodee through her singing, and all the family as they share the love they all feel for this very special lady! Whodee, May you rest in peace until we all meet again!

“ *Dear Moffett family,
I would like to express my deep regrets for your loss even though we don't know each other because this enemy death brings nothing but pain and grief and I would like to share what helped me when it took my entire family. I found comfort and hope in what Jehovah Gods word the Bible says at John5:28,29 there Jesus says we'll see our love ones again because he's bringing them back in the resurrection. Also we're told at Isaiah25:8 this enemy death will be swallowed up forever. These scriptures along with the encouragement and comfort from the website jw.org help me get through each day and I truly hope this will help you in some way also for this is my purpose in sharing this with you. Please know I do share your grief. Sincerely, GMosley*
