“ Tara, you were raised in Coralville with really cool parents. You saw a lot of custom cars, went to car shows, saw a lot of poodle skirts and lots of 50s stuff. We remember you as a child, but followed you to your home in Arkansas. May your family have some comfort and peace. Gary and I watched you for a week when your folks went on a trip many years ago and you were a pleasure to be around. Please know that I am sorry this happened and may God bring comfort to your loved ones.
