“ I'm so sorry for your loss. Your dad always thought the world of you Jessica, I know that for a fact. I know you and the kids, especially Katie will be lost without him. Just treasure the memories and love each other knowing he'll always be in your heart. I don't know anyone who didn't like Terry and if there was I don't want to know them. Keep your head up and try to stay strong for the kiddos. Do not sell yourself short, or have any regrets. Caretaking is the hardest job there is. You did the best you could and he knew it❤️
