“ I don't know why but I was thinking about Wes and I working on our cars together late on summer evenings and broad run Farms. I decided to Google his name and I knew he was in Arkansas but was deeply saddened to read the news. - tad

“ We wanted to express our sympathies to you at this your time of grief we pray you be strengthened in the days ahead. We like to share a thought that gave us comfort. At Daniel 12:2 , "And many of those asleep in the dust of the earth will wake up, some to everlasting life ..." May this thought bring you comfort as it did our family during our time of loss. JRI
