“ *I am so sorry that you lost your dad, husband, father-in-law and I lost my brother. I miss him already and can't believe he's gone so soon. I thought I had time to go visit but I put it off to long and now I can't see him or talk to him anymore on this earth. May God reach down his strong hand and comfort each one of you and give you strength to carry on without him. I love all of you so much. Remember one day we will see him again and can talk about old times. God Bless each one of you and If you need to talk I will listen.*

“ My prayers are with the family at this time and always, May God comfort and give you strength and guidance to carry on in this life without him. He will be greatly missed by us all and although we can no longer see or talk to him in this world we will never forget him in our hearts. I love each and every one of you and share your pain. I loved my brother so much and regret not coming to see him but I thought I had more time. It is still so hard to believe he's really gone and I know God must of had a good reason to call him home. God Bless and keep you.
