“ We loved Tracy so much and are so sad she was taken from this earth far too soon. Rest assured we will always honor her memory with the twins. She was an amazing person who forever changed our lives for the better! We thank God she came into our lives, even if for a short time, for we are better people for knowing her.

“ I am so very sorry to learn of Tracy's untimely death. She was indeed a rare and precious being, and will be so greatly missed.

I remember Tracy as a free spirit and heartbroken as I am that she is no longer with us, I celebrate the wonderful woman that she was and I rejoice that she is no longer bound by the troubles of this world.

Tracy had a deep commitment to all her children and the best of her lives on in them! May God watch over all her family members and lend them that peace that passes understanding.

Farewell, my sweet friend.
