“ My heart aches because i did not get to say goodbye. Our family has been through so much these last couple of years. I love you all and will pray that God eases the pain. Travis was so special to me. He always texted or called me just to check on me. He went camping and fishing with us and our friends. He did so much around our house for us. He was very talented in many areas. He had a great heart and helped everyone. I will miss him so much. Prayers for everyone.

“ *My heart was so sad to hear of the loose of Travis. Growing up with him and Chris was nothing short of a Whoot. I will always remember the trouble they would start on the bus going home from school. I know there is nothing that can help with the pain of his loss. So, I offer the only thing I have that can make any difference. I lift your family up in Prayer that God will carry you through this time of need.*
