“ *I was in Truman's class. I had only seen him once over the years as I joined the Air Force but I never forgot the things we did in our school years.*

A few weeks ago I found him using the internet. I called and we talked for quite awhile. I'm very glad I was able to talk to him once again. I am very sorry he has gone.

“ To Truman's family,
I am Truman's cousin on the Parker side. My Mother Areba (Parker, Ward) Johnson was his Dad's, (our Uncle Nolan) baby sister. I didn't know Truman that well growing up, but did get a little more acquainted I think it was back in the late 80's or early 90's. Then when e-mail came along, he was good to send several of us e-mail notes and fun stuff to read. Just Friday morning, I was thinking of Truman and wondering where or how he was doing and then my sister Ellen called and told of his passing. Please know all of us in my family were very sorry to hear of his death and at such a young age. May God be with you all and may memories of Truman bring you peace of mind.

A cousin,
Louise (Ward) Jennings
