“ *Mona, and all: We mourn Utah's passing from here because the world is a little less good; however, if it's possible for heaven to be better than it already is, then that is the case with Utah there....he was the sweetest guy and so very humble...a true gentleman, when real gentlemen are a rare commodity today....he will never have another cow fight him about going through a gate--they will all smile and go right through now, and happy to do it, because the heavenly cows have no reason to be stubborn---I can just see him! God bless all of you today and in the days ahead and rejoice that you will see him again...*

“ Mona, Cheryl, Kevin, Sharla, Kent, and families,  
We are so sorry for your loss and for the loss of such a fine man to the community and to his many friends elsewhere. Earl has always appreciated him for his role on the school board back in the 70's when Earl was first hired at Kingston School. We both held Utah in highest regard and know he provided great leadership and example over the years to your family and many others.  
May your hearts be a little lighter knowing that so many share in your sorry and remember Utah as one of the best!  
Our thoughts and prayers are with you.

*Utah was one of my favorite people and I always enjoyed talking with him. Curtis said once that if everybody lived their life the way Utah lived his there would be a lot less commotion and fussing. He was a good man and the community has lost a good neighbor. We will miss him.*
