“ Douglas, Donald and Leslie, and Martha and all the family, I am so sorry for the loss of your mother. She was such a wonderful person. When I think of her, I can hear her laughing. I know she is rejoicing today but it is sad for those left behind. She will really be missed by all of you. I wanted to go to the funeral today but can't go but I will be there in spirit. Love and prayers sent your way.

“ My heart is so sad in the loss of Velma. She was the sweetest person and always helping people out. She was so proud of her family and loved everyone of you all. There will be a empty hole in your lives now, but you all were so good to her and loved her so much. May God be with you all during this sad time.
