“ *I was unable to attend either the visitation or the funeral, and I want the family to know that I am thinking of Vernon's passing and of them. I always remember my school friends. I especially want Ricky and Rusty to know that I mourn their father's passing and extend my deepest sympathy to them and their mother.*

“ *Ruth, Ricky, Rusty & Kathy this came as such a shock to all of us. I am so glad that I called and got to talk with Ruth and Vernon, Monday night. He was telling me how much better he was and that he was hoping to get to go home by Friday. I could not have been more surprised when Dad called me Tuesday morning. I love everyone and am sorry that I was unable to come up at this time. With two being out at work already on Friday I have to be up front. Love to everyone and we are going to come up soon and visit. Take care and if you need me for anything, please call we are here for you.*
