“ David, Belinda, Janet, Dale, and families,

I have so many wonderful memories of visiting Auntie Vi and Uncle Lee in Arkansas, as well as their trips to California and Montana. Auntie Vi always made me feel SO special and went out of her way to show her love. From stocking up on Oscar Meyer hotdogs before our visit, only to find out I had cut them out of my diet because someone told me what they were made of ... to teaching me to make homemade rolls ... allowing me to ride the horses ... encouraging me to tie Uncle Lee's underwear in knots ... setting me up on a blind date in hopes that I would relocate to teach in Arkansas ... not making me touch the worms ... showing me a photo, against Dad's wishes, of his ex ... to giving me the ultimate photo of Uncle Lee, shirtless in his swim trunks and cowboy boots, to post at the cafe ... She was one in a million! Auntie Vi and Daddy had such a special bond. Their great love and respect for each other is worthy of emulating. I truly regret that I cannot be there tomorrow to celebrate her amazing life with all of you! But please know that I will be there in spirit! May God hold you close and give you peace! Kerry

“ I'm so sorry for your loss. I loved Viola. She was always so pleasant and smiling. Mom and I made a point to visit with her each time we would visit my dad. I remember one time in particular she wanted me to come to her room to show me her beauty queen picture. She taught mom in school many, many years ago and I loved watching her light up to see mom come in to the nursing home. Reba Lou we love you and will be praying for all of you as I know what a loss it will be from such a loving woman. Mom just got out of the hospital so we won't be able to make it to visitation or the service but prayers of comfort for you.
