“ *My sweet Aunt!! I loved spending time with her when I was little and we lived near each other. But I especially loved our times when I would come to visit as an adult after you moved to Arkansas. I loved our time in the kitchen watching her cook & bake. (I never loved eating so much as eating her food). My Aunt is the one who also taught me to knit, crochet & embroidery. My fondest memory was going to War Eagle craft fair. I would spend hours going through her recipes and cookbooks, admiring her gorgeous quilts! How I will miss those days but will cherish every moment I spent with her! I love you my sweet Aunt Sis!*
