“ Cynthia, I am praying for all of you. It is difficult when we lose those we love, but I have a feeling that you have always carried a part of your grandmother in your heart, and you can continue that. She is only a thought or prayer away. Wish I could hug you. Love, Aunt Lou

“ You've lost someone who was a special part of your family. My Grandmother, years ago, told me we are 'selfish' meaning it is sometimes difficult to let go even when the quality of life is diminished. I know she meant a lot to the family but take comfort that she is in a better place. May God Bless you all.
