“Dusty and Anna, David and Kevin, My deepest condolences go out to you and your family during this difficult time. Wayne was such a great guy. I will always remember the good times we had at your house and at church. Dusty when we were kids I will never forget the time we decided to boil a frog. Your mom left the kitchen and said something like I don't want it jumping out on me. I think it might have jumped out of the pot! I remember using salt too. I guess we were planning to eat it. Lol cherish the good times with your dad. You will see him again one day! Love and prayers, Donne

“ Wayne will truly be missed by all who knew him. I remember growing up in the First Baptist Church and always being picked on by Wayne. Even in his old age, he was always up for an adventure with the youth group. It didn't matter if we were camping, hiking, or even paintballing. Wayne really cared about the youth and I will always remember that about him. He was always a youth at heart. R.I.P. Wayne

“ Anna and family, I am so sorry to hear about Wayne. He was a good man, and I enjoyed visiting with him every time I saw him. He was a true man of God, and led by example. I know there are no words that can be said to ease the pain and sorrow in your hearts right now. Just know that you will be reunited with him again one fine day in heaven. He will live on in the precious memories he stamped on the hearts of those he knew and he will not be forgotten. I will be praying for God's comfort, strength, peace, and understanding as you face the difficult days and weeks ahead.
