“ I am so very sorry to hear about your loss. Bill, my twin Betty and I had birthdays one day apart. Betty and I were born June 24, 1945. Bill and I went through elementary and high school together in Kimball. We were very close to each other all through school. After HS Betty and I went to UW in Laramie and I moved to Green River WY and lived there until I moved to Plano, TX. We didn't see each other much after HS except occasionally when I visited my in-laws in Banner County and had meals in Kimball restaurants. When we did see each other it was like we were never apart and could take up right where we left off. If I had known one of his children lived in Fayetteville we may have touched base there also because my Best Friend in Wy moved there. I have rambled enough. My deepest sympathy. Sincerely, Byron Stahla (214) 725-5570
