“ Dorothea, I am so sorry for the loss of Willie. He touched my life as a young child. I remember when mom and dad would go to Purdy (Larry and Eulena Carpenter) Willie would play his guitar and have me sing. I couldn't have been over 5 or 6. As a young girl, he made me feel special. I will never forget the impression he made upon my life!

“ My favorite Uncle has passed . He was a good - good man . A solid and quality human being like few others . He and my beautiful Aunt Dorothy was very good to our family in a time of need over 50 years ago and it has not been forgotten . I shared many Bible verses with Willie , lots of beautiful music from this world-class musician and many stories of the days past - some of which were good and some not so much but all were precious . Like many , many others I will miss this man . The sunrises will be a little less bright from now on . Mat God Himself bless you Willie Foster . You are truly loved .
