“ *Dear Family, My love is with you at this time. I only spent a little time
with William, on a visit to Port Townsend, Wa. and a trip to the
Oregon Coast. We so enjoyed his company then. He and my
grandson Michael spent the time with us in a Yurt right on the
ocean. I have pictures and lots of precious memories. They will
become even more precious now.

“ Sweet William. Your great-aunt Jan bears precious memories of your bright mind, your beautiful, tall self, your wicked sense of humor, your extraordinary writing talent and astronomical academic scores.

But mostly, I cherish your sweetness, the dancing light in your eyes, and that killer smile. The Greeks said that those whom the gods love die young. You are adored, both there and here.
