“ I so enjoyed my visits with your dad and Miss Dortha. Murel was a thoughtful and kind man. When I moved northwest he always checked in with me to see how I was doing. I think of the loss of my mother last November and I know this is a difficult time for you. I smile at the thought of your sweet dad rejoicing with the angels and what beauty beyond belief he is experiencing. So glad he was a faithful man of God.

My thoughts are with you.

*Sincerely,
June*

“ Dear Debbie, Dennis and all the family,

Was saddened to hear of Murel passing. As I may have said before, was thankful to have seen him the Saturday before he passed at the Japton get together. He was enjoying that very much. He will be missed. Thankful he was blessed with a long live. May God and great memories give you much comfort.

Love Louise and David.
