“ *Sad to hear of the passing of Bill... Worked at Arco with him many years ago in Alaska.  
Enjoyed many hours on night shift BS'ing about life and the future with him.*

“ *Sickness doesn't prepare us for loss, only gives warning. Leaving this life is a joyous occurrence for the infirm, but difficult for family and friends. We know that the family will be united. We wish for you the comfort of God's grace until that time.*

“ Karen, I am so thankful that Bill had you in his life. he was a very lucky man and I love you dearly for that. He meant so much more to me than just the average friend. He was and always will be my stepfather. The man who loved me unconditionally and helped raise me into the woman that I am today. My heart is heavy as I write this note, but I know that he is in a much better place free from pain. I just keep thinking that he's in Heaven right now playing with our dog Snickers and all the other critters waiting for the day that we all meet again and that brings a smile to my heart. He will forever be loved and missed. But its not goodbye, only till we meet again. Love ya Old Fart!, Love your Shelbers, Lena

“ It has been many years since Bill came with the family to our farm near Strathroy, Ontario, Canada. Those were great times for the Ralph and the Gast families. The memories have certainly lived on in spite of the passing years. Ruth and I send our sincere sympathy to all the family. You will be in our prayers as you go through this time. May God bless you all.

“ Dear Karen, Although my heart knows that Bill has transitioned to a much better existence where pain and illness do not exist, this same heart aches for you, your family and friends... You are in my prayers for comfort, peace and healing. It will not come easily or quickly, but it will come. In the meantime we are here to walk this dark journey with you. "When peace like a river attendeth my way, when sorrows like sea billows roll... whatever my lot, thou hast taught me to say...it is well...it is well...with my soul...."
