“ I send my Condolences to the family of Dale Varner...I just came upon his obituary. I didn't know Mr. Varner that well but he represented me in my Divorce many-many-many years ago. He was referred to me by a friend who was also an attorney. I was so impressed with his guidance (like a father like) figure. I have thought of him thru-out the years. He was so well liked. So sorry to hear of his death.

“ I would have dearly loved to have been there to honor this loving and kind man who was legendary in stature and life, a man I always looked up to and was proud to call my grandpa. I would have loved to celebrate his life with the Varners and Clarks who were able to be there. My heart goes out to you all and to my amazing grandmother who we still have here on earth. I know that you all would have laughed much as you cried and that Grandpa Dale is probably having a great time now in another place with Grandpa Preston, dear Grams and the rest of his siblings. Love you all!
