“ *Earths loss is Heavens gain. We have one more reason to go to Heaven for. I have known Wilma since I was in high school. She would come the First Assembly of God on Sun. night services. She, Freda Sloan and Julia Outland were always there to help the youth of the church when ever we got together. They were there so faithful , for us. Now all three of these wonderful ladies, have run their race, and gone on to their rewards. She and Freda even came to visit with us in Harriet where we pastored first when the Perry's were there for revival services. They were dubbed the Three Musketeers, Now they are rejoicing around the throne of God together again. "One for all and all for one" To the family members, you have my prayers and condolences, She may be gone, but she will never be forgotten, Wilma, as I met with you a few weeks ago, now you have finished your course, the race has been won, and the crown has been won, and you are at peace rejoicing in Heaven. Thanks so much for your love.*
