“ I've known Zach for over 20 years. He was great friends with my dad, Roy. I needed help and Zach never hesitated. I will always be grateful for that. He was selfless in that way with many. We will miss him always stopping by to talk. Im thinking about his family and pray for comfort.

“ Thinking about Zach I remember how he respected his elders and how he never wanted to talk bad about anyone. What a hard worker that he was. I did his hair for most of his life. He was loyal to me.

“ I married Zach's best friend Loy 15 years ago.... I still remember the first time I meet Zach! I never thought I would grow to LOVE him like a brother. Many nights he came to visit, so many laughs we had. He was "Uncle" Zach to both of our girls. Zach always reminded me of home. I know too many that seems odd. He was always singing "GOOD TIME" by Niko Moon. Thank you, Zach, for being a part of my life. We miss you SO very much. You will NEVER be forgotten. We love you, Bud! Loy and Sara Whorton

Zack, It seems that when he went to Jimmy's house and if he wasn't home, he would come to our house and stay for a couple of hours. He was a good friend to Dean my son and myself. We will always remember Zach, he was a good friend.
